By being a member of the unemployment fund, you can receive an earnings-related allowance based on your income level before you become unemployed.

Fill in the membership application carefully and submit it to the Super unemployment fund. Send your membership application by email to jasenasiat@supertk.fi (note that communications will not be encrypted) or post it to: Super unemployment fund, PO Box 117, 00521 Helsinki.

You can also send us an email at jasenasiat@supertk.fi to request an encrypted email, which you can reply to with your membership application.

You can become a member of the fund if you live in Finland, work in a paid employment or public service relationship in the social welfare and health care sector, hold a vocational qualification or are studying in the field, and you are under the age of 68. You can also become a member if you are in a paid employment or public service relationship with the church, another religious organisation or an organisation providing services for the sector, you hold a qualification for the ecclesiastical sector or are studying in the field.

You will be notified of the conditional commencement of your membership in writing when the Super unemployment fund has processed your membership application. You will receive a bill for the membership fee by post. You must pay the membership fee from the joining date in order to become a member.
